

## League in an afternoon June 19<sup>th</sup> 2025 at Mirfield Petanque Club.

3 clubs brought 6 teams to Mirfield on a very hot afternoon. A triples league and a pairs league was played and because of the numbers each team played a crossover match to make sure they all played 3 games.

In between games Mirfield members Ian, Jim and Michael brought out flagons of juice and water to keep the teams hydrated and at the end of the afternoon Lightcliffe had won both leagues and 5 out of the 9 games making themselves runaway winners taking home an upcycled antique French trophy. The second and third places were decided by points difference as Ripponden and Ilkley each had 2 wins.

We plan to repeat this next June and any club in West Yorkshire who would like to host it should contact the organiser. We need 4 lanes minimum. And it would be nice if more clubs/groups took part. There's no entry fee and no cash prizes. It's not a top level competition just ordinary people having a good afternoon playing pétanque.
